

List of Fees

Created 13 June 2023

The Library assesses and controls a range of fees for certain services. Fees are not intended to be “profit generating” for the Library but to balance the cost of the service provided.

As per KRS 65A.010(4)(a), the Board of Trustees approves all fees that are charged by the Library. Fees that are charged by an outside vendor for services that are rendered at the Library (for example, copier fees) are not set by the Library and are not approved by the Board of Trustees.

Fees

Items that are not returned or that are returned in a condition which would disallow further circulation are billed to the patron at the full replacement cost of the item. If there is not a given replacement cost in the item record, a generic cost will be assessed. The list of generic costs is located in the Library’s Circulation Policies.

Patrons are given an initial Library card at no charge at the time borrowing services are established. Patrons who lose their Library cards or damage the card beyond serviceability will be charged \$1 to replace the card.

Non-residents will be subject to a \$5.00 annual fee per household.

The Library offers lamination services. The fee is \$1 for size 3X5 and \$2 for letter size.

Changes or additions to fees

As per KRS 65A.100(2)(a), the Library will report any change or additions to the fees it assesses to the Mason County Fiscal Court upon adoption.
